# Inclusive Minds

LeedsBID has teamed up with Inclusive Minds to support Leeds businesses in managing wellbeing proactively, minimising the impact of mental ill health on work and life.

The training courses will teach people to spot the symptoms of mental health issues and will explain how they can offer initial help and guide a person towards support.

To book a space (quoting LeedsBID) please click on the link below.

**Leeds: Cradle of Innovation available to buy**

For centuries, Leeds has nurtured economic, social and cultural innovation. Leeds people brought in new products and processes during the industrial revolution and are leading today's digital revolution.

Read all about it in *Leeds: Cradle of Innovation* – a 284-page book supported by LeedsBID.

The poster features the Leeds Beckett University logo (LBU) in the top left corner. The main text reads: **A PARADIGM SHIFT FOR BUSINESSES: LEVERAGING ORGANISATIONAL CHANGES AS A DRIVER FOR SUSTAINABLE GROWTH AND INNOVATION**. Below this, it states 'Professorial Inaugural Lecture by **Professor George Lodorfos**'. The event details are: **LECTURE THEATRE B, LEVEL 4 ROSE BOWL, CITY CAMPUS WEDNESDAY 10 OCTOBER 2018 18:00 – 19:00 (arrival from 17:30)**. At the bottom, it says 'To book, please visit [leedsbeckett.ac.uk/events](https://leedsbeckett.ac.uk/events)'. On the right side of the poster is a portrait of Professor George Lodorfos. The word 'EVENT' is written vertically on the left side of the poster.

Dean of Leeds Business School, Professor George Lodorfos, will present his ideas and research from his career in the business sector; from the electronic innovation of the 1990s to the high-speed decision making of today's cybertime.
